

a conference with youthful ideas 

introducing

ISCES 2012

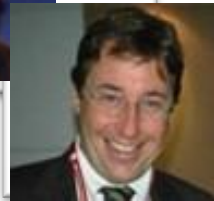

ISCES

International Students Conference on Environment and Sustainability

An annual conference with the aim of promoting the important role of youth in large-scale decisions.

An integrated collaboration between UNEP and Tongji

A 4-day conference with various activities, including keynote speeches, field visits, parallel group workshops and poster contest

2011 ISCES

During the first ISCES over **400 students** from all over the world gathered in Tongji University to share their cultural and technical knowledge about sustainable development

At the same time they visit sites as the **Eco city Chongming Island**, the **World Heritage Suzhou** to learn about the sustainable development in China and they way the biggest nation of the world is getting ready.

Impacts of the ISCES

It's amazing the difference my attendance at the 2011 Student Conference has made on my applications for these events

Thanks to the ISCES I was able to learn about different cultures and now I'm working in a Science e-journal

- Currently undertaking the Australian National Internships Program in Canberra
- Part of the Global Voices Australian Youth Delegation to the UN Durban Climate Conference
- Awarded a 2012 Prime Minister's Australia Asia Endeavour Award
