What other forms of support would you be interested in?

What is your level of engagement?

Levels of Engagement: (See www.citiesprogramme.com/aboutus)

Are you engaged at the Leading City level?

Leading cities and regions are drivers of positive urban change. They generally have a dedicated sustainability plan or a City or Regional Plan with a holistic approach, work futuristically, are civic leaders and facilitators. They are intent on building resilient, sustainable and vibrant cities and regions.

| I'm not sure about our status | <input type="checkbox"/> | | |

Are you engaged at the Innovating City level?

Innovating City or Region is the highest level of engagement in the Cities Programme, a city or region is recognized for addressing a complex or seemingly intractable issue or issues. This is done through a multi-year project. While focused on resolving a specific issue or transforming a complex situation, these projects are holistic. All dimensions - the ecological, economic, political and cultural domains - have been considered in their development. These projects have a transformative quality; they are managed cross-sectorally
