

MARUFA ISHAQUE BANGLADESH

I am a student in the Department of Geography and Environment at the University of Dhaka in Bangladesh. Besides, I am working as a lyric writer and also as a feature writer in a renowned newspaper of the country.

National Assembly of Bangladesh

My origin is in Dhaka, the capital city of Bangladesh. We have a glorious history for language movement and also for liberation war. Bangladesh is a riverine country. The water of country and the capital city is very much contaminated. We are trying to have contamination free pure and safe water.

LIFE IS LIKE ICE AND
IT IS MELTING.

CONSERVE
EVERY DROP OF
WATER
WITH **PURITY**

SO, THINK....

BEFORE SINK !!

WATER CRISIS !!

POLLUTION !!

BIODIVERSITY LOSS !!

DROUGHT !!

CLIMATE CHANGE !!

SOLUTION ??

**WATER
SHARING:
GLOBAL
COOPERATION**

ONE DROP OF WATER CAN MAKE RIPPLE EFFECT
ONE RIGHT ACTION CAN LEAD
SUSTAINABLE FUTURE....
