Mentorship

Q1: Do I need to choose the research topic while submitting the application?

A: Yes, a research proposal would increase the chance to get the scholarship and the acceptance from the mentors.

Q2: How to get the acceptance letter from mentors for applying scholarship?

A: You can get your acceptance letter via two methods listed below:

- Know more about the faculty and professors via the website

<https://sese.tongji.edu.cn/3135/list.htm>, select and contact your mentor via the email address provided on the website with your academic background and

research plan. Once the professor agrees to supervise you, we will confirm with the professor which would be the first step of evaluation.

- Send your research background and further research topics to the email address: unep_tongji@tongji.edu.cn. IESD office will recommend appropriate mentor for you. Once your mentor agrees to supervise you, we will add the acceptance letter to your application materials. If IESD office fails to match you with any mentors, you will not be enrolled into 2020 final list.

Q3: What will happen if no professor is willing to supervise me?

A: We will share the research background and interest with the professors, thus your application documents should be clear and sound. Otherwise, it's impossible to be enrolled if no professor is willing to supervise the applicant.
