

Tips on Choosing Public Courses for International Postgraduates of

Tongji University

1. What is the website for international students to choose courses?

- a) 1.tongji.edu.cn (hereinafter referred to as "1")
- b) icourse.tongji.edu.cn (hereinafter referred to as "icourse")

*Any question about choosing courses in the icourse system, please contact Mr. WANG of the International School. Any question about choosing courses in the 1 system, please contact the course administrator of your own school.

2. How can degree graduate students choose public courses (A General View of China, Chinese language)?

- a) For postgraduates in degree programs (PhD and Master students) who choose **Chinese** as teaching language

i. A General View of China

You only need to choose your courses in 1.tongji.edu.cn.

A General View of China (Master students taught in Chinese), course code: 2900006

A General View of China (PhD students taught in Chinese), course code: 1900006

ii. Chinese language

You only need to choose your courses in 1.tongji.edu.cn.

Chinese language (Master students taught in Chinese), course code: 2300001

Chinese language (PhD students taught in Chinese), course code: 1300001

- b) For postgraduates in degree programs (PhD and Master students) who choose **English** as teaching language

i. A General View of China

You need to choose any two of the selective courses (**hereinafter referred as general courses**) in icourse.tongji.edu.cn, such as *Chinese society and economy*, *China's sustainable development*, *Chinese history and culture*, *Introduction to Chinese music and songs*, *Chinese diplomacy and international relations*, *Cross-cultural communication*, etc. These courses, 1.5 credits for each, can be chosen across multiple terms!

***Please make sure that you can get 3 credits of A General View of China, and then choose courses in 1.tongji.edu.cn.**

A General View of China (PhD students taught in English), course code: 1900006

A General View of China (Master students taught in English), course code: 2900006

	To choose courses on the icourse or not?	To choose courses on the 1 or not?
Select one general course	Yes	No
Select two general courses	Yes	Yes

ii. Chinese language

You only need to choose your courses in 1.tongji.edu.cn.

Chinese language (PhD students taught in English), course code: 1300001

Chinese language (Master students taught in English), course code: 2300001
