

2011 World Student Forum on Environment and Sustainability

With different colors and coming from all around the world, we, university students of the new century, carry the common load: let the earth and mankind enjoy a marvelous and sustainable future! Tongji University and United Nations Environment Programme jointly invite you to join this great event: **2011 World Student Forum on Environment and Sustainability**.

We are looking forward to your participation! The insight that you can bring to the forum will make a major contribution to the forum, to the globe, and the most importantly, to our future!
